14.3 OUTSTANDING EMERGENCY SERVICES LEVY – WRITE OFF

Applicant: Internal Report

Date of Report: 16 May 2016

Chief Executive Officer

Summary

To consider and endorse the write off of outstanding Emergency Services Levy (ESL) and Penalty Interest on A6037 and A6164 as they have been raised in error.

Background

A6037 – 21 Seward Avenue Varley is Unallocated Crown Land. It appears that levies have previously been raised on this property in 2002, and then written off in the same year. The current arrears charge was raised in 2012 with penalty interest levied in 2014 and 2015.

A6164 – 13 Sugg Road Lake King is Unallocated Crown Land. It appears that levies have previously been raised on this property prior to 2002, and then were recommenced in 2006 to 2015. With the exception of billing years 2014 and 2015 the charges have been reversed as raised in error. Correspondence had been received from the Department of Land Administration at the time to advise the land was not rateable.

Comment

On running the Final Notices to be sent out on the above properties were identified as having outstanding ESL charges. On investigation it was discovered that both properties were Unallocated Crown Land, and the land is not rateable.

Given the current Delegation, F08 only allows the Chief Executive Officer to write-off balances less than \$50.00 the item has been referred to Council.

As the charges have been levied in prior years, Council endorsement is required to write the balances off. If the error had been identified in the year they were raised administration would have been able to reverse the charges as they were in error.

Legal Implications

 - (c) *write off any amount of money,*
which is owed to the local government;

** Absolute majority required.*

- (2) *Subsection (1)(a) and (b) do not apply to an amount of money owing in respect of rates and service charges;*
- (3) *The grant of a concession under subsection (1)(b) may be subject to any conditions determined by the local government; and,*
- (4) *Regulations may prescribe circumstances in which a local government is not to exercise a power under subsection (1) or regulate the exercise of that power.*

Policy Implications

Policy 3.9 Outstanding Rate Debtors

The policy has no effect as the rates were raised in error.

Delegation F08 – Write-off of Small Balances

The delegation has no effect as the balance on each account is over \$50.00.

Consultation

Internal: Chief Executive Officer

Financial Implications

A loss in revenue of \$302.49 will occur with the write off of ESL raised in error and penalty interest on the said properties. This will be reflected in E030250 – Rates Written Off.

14.4 UNBUDGETED EXPENDITURE – LANDSCAPING AND PAVING AT LAKE GRACE SPORTS PAVILION

Chief Executive Officer

Summary

For Council to consider a request from Lake Grace Recreation Committee for landscape works at the Sports Pavilion.

Background

At a recent site meeting with Mr John O'Neill, attended by the Shire Manager Infrastructure Services Louka Shopov, Mr O'Neill proposed landscaping works to be undertaken at Lake Grace Sports Pavilion, which were not included in the scope of the project completed in January 2016.

However, these works could be considered as part of the overall Recreation Precinct upgrade. Generally projects of this nature are funded on the basis of one third (1/3) Shire and the balance by way of a grant and community contribution.

The proposed landscaping and brick paving works include:

1. Removal of 100 millimetres deep layer of existing hard stand area between the main building and football oval (approximately 480 square metres) and replacement with sand and installation of lawn;
2. Excavation of 100 millimetres wide by 300 millimetres deep by 60 metre trench for future irrigation system;
3. Installation of 97 metre long concrete gardening kerb; and,
4. Installation of 30 square metres of brick paving at western side of the pavilion (refer attached Site Plan).

Comment

The project works are split between Shire of Lake Grace Construction Crew, Concrete Kerbing Contractor, and Brick Paving Contractor. The three parts of the projects are less than \$5,000.00 and require minimum of two (2) verbal quotes for each component. Quotes have been obtained from Nambec Nominees (0427 652 151) and Rylan Kerbing (0417 183 639) with additional quotes to be finalised.

Legal Implications

Local Government Act 1995 - s6.8

- *Expenditure from municipal fund not included in annual budget.*

Policy Implications

Policy 3.7 Purchasing Policy - Total cost estimate of works is \$11,102.00 (refer to attachment Project Cost Estimate).

Consultation

External Lake Grace Recreation Committee (LGRC) - Mr John O'Neill

Financial Implications

An unbudgeted expense of \$11,102.00 would be incurred for the completion of proposed works. However, it is proposed that the Shire's one third contribution of \$3,700.00 be made available to ensure the lawn area is completed in time for the 2016 Colts Carnival. The balance of requested works to be completed and funded by the LGRC.

Strategic Implications

Shire of Lake Grace Strategic Community Plan

Social

- *Maintain and improve social/community infrastructure to support community wellbeing*

Recommendation

That Council:

- 1) Authorise an unbudgeted expense of \$3,700.00 (one third of the estimated total \$11,100.00 cost) from account E107610 - Lake Grace Town Landscaping for the completion of the supply and installation of lawn in front of the Sports Pavilion; and,
- 2) The reminding \$7,400.00 (two thirds) of the estimated cost to be provided by the Lake Grace Recreation Committee.
