Summary

To consider and adopt the Municipal Fund Budget for the 2016/2017 financial year together with supporting schedules, including striking of the municipal fund rates, establishment of new reserve funds, setting of elected members fees for the year and other consequential matters arising from the budget papers.

Background

The draft 2016/2017 budget has been compiled based on the parameters established in the Council integrated planning documents including long term financial plan, corporate business plan and strategic community plan.

Council gave consideration to the detail within the budget via a series of workshops held in June, July, August and September.

Ministerial Approval was sought and granted for a late adoption of the 2016/2017 budget. The extension was granted to the 30 September 2016.

Comment

The budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and *Australian Accounting Standards*. The main features of the draft budget include:

Rate Increase

The budget provides an average 2.5% increase in rates collected, this includes any newly rated properties created through property sales on our most recent subdivision.

The Unimproved Valuations (UV) were completed 1 August 2015 and effective from 30 June 2016. The overall change in valuations was an increase of 0.4%. Although this is the case, there will also be variances greater or less than the 2.5% average rate increase.

Comments from the District Valuer were;

“There has been an overall slight increase to unimproved values effective 30 June 2016. The increase is more significant in the area west of Lake Grace town, with

virtually no change across the balance of the shire. We note a significant number of properties having changed hands over the last two seasons, including some forced sales.

Unimproved values on most of the rural small holdings blocks have also been reduced as this market has been showing signs of easing.

Some changes to individual assessments may have occurred either as a product of the mass valuation process or where records have been amended or corrected for more up to date information about soil types etc.”

It is noted that property owners have the right to appeal against the valuation of their property. This appeal is made to Landgate the agency responsible for conducting the valuation service. With only minor changes to valuation, it would be unlikely that many appeals would occur this year.

The minimum rate is proposed to be increased to \$410, an increase of 2.5%.

End of year position

The 2015/2016 end of year position is an estimated surplus of \$1,608,571 a reduction of approximately \$500,000 from the prior year. There were a number of projects that were not undertaken which has led to this surplus. Another contributing factor was the shire building team taking over the completion of the Newdegate ILU's, much of their labour was then funded from external sources.

The budget presented to Council for adoption results in an end of year surplus of \$13,563.

Fees & Charges

The fees and charges schedule is presented to Council, including the proposed rates in the dollar to be levied. As advised previously the rate charges for the Lake Grace Sewerage Scheme are to remain at the same levels as last year. Generally there has been a 1.75% increase in the fees and charges. It is noted that the *'No fee for local "not for profit" organisations, and/or individuals residents within the Shire, or non-resident ratepayers'* in relation to hall hire has been removed. This will assist in recovery of ever increasing costs of electricity, water and consumables in the halls.

Elected Member Attendance Fees, Allowances & Reimbursement of Costs

The recommendations include the setting of meeting attendance fees and allowances for members. This includes the Presidents allowance of \$19,864 the Deputy President's allowance \$4,966 and members meeting attendance fees of \$180 and \$360 for the President. With Committee meeting attendance fee set at \$90 for all members.

A \$2,000 allowance is included for each member to provide for costs associated with information and communication technology expenses incurred by members in carrying out their functions on behalf of the Shire.

Other claims such as travelling will need to be submitted monthly or more frequently should a member so require. All payments may be made direct to Members designated bank accounts. These fees and allowances are in accordance with Sec 5.98, 5.98A, 5.99 and 5.99A of the Local Government Act and the Local Government (Administration) Regulations. These fees are within the determinations for Band 4 as set by the Salaries and Allowances Tribunal 12 April 2016.

Salaries & Wages

The budget for Salaries & Wages has increased by the Fair Work Commission wage increase of 2.4%. With the new organisational structure in place it is projected that Salaries and Wages will decrease in approximately \$81,000 on the prior year estimates.

Road Funding

The road program has had a significant increase in funding of \$1,355,977 from the Department of Infrastructure and Regional Development. This has led to a significant road program for the 2016/2017 year. A portion of these works will be put out to contract as we do not have the capacity to undertake the works ourselves. The total of our Road funding sources are as follows;

Grants Commission Roads	\$1,219,828
MRWA Direct Grant	\$ 289,773
CSR Hatters Hill Rd 0023	\$ 175,000
RRG Holt Rock South Road 0219	\$ 237,491
RRG Varley Road 0027	\$ 102,509
Roads to Recovery 16/17	<u>\$1,945,150</u>
	\$3,969,751

In the 2017/2018 and 2018/2019 our Roads to Recovery funding will return to the annual contribution of \$589,173.

Reserve Transfers

As we are in the position this year to have our road construction team work predominately funded through external sources in addition to the Building Team construction the new Independent Living Units (ILUs) in Lake Grace being funded externally, it has allowed for significant transfers to be made to various reserve funds. Including the replenishing of the Newdegate Hall Reserve of funds utilised to complete the Newdegate ILUs.

Legal Implications

Section 6.2 of the *Local Government Act 1995* requires that not later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt, (Absolute Majority required) in the form and manner prescribed, a budget for its municipal fund for the financial year ending 30 June of the next year.

Divisions 5 and 6 of the *Local Government Act 1995* refer to the setting of budgets and raising of rates and charges. *The Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft 2015/16 budget as presented is considered to meet statutory requirements.
