8.0 OTHER INFORMATION AND QUESTION TIME

The Chief Executive Officer advised that no questions had been submitted prior to the meeting.

9.0 GENERAL BUSINESS

The Shire President asked if there was any General Business anyone wished to raise.

Sandy Knill

Question: When will Lockhart Road be open to the School Bus?

Response: The Manager Infrastructure Services gave a commitment that it will be graded within the fortnight. If the School Bus Operator feels that they can safely transverse the

road, the Shire will give a letter of support to go to the Public Transport Authority (PTA), access by a School Bus is their responsibility.

Cr Armstrong

Question: There is a conflict here, the PTA tells us we cannot access it unless ticked off by the Shire – this needs clarity?

There has been no water over the road for two (2) weeks, the road has damage to the shoulders and there is one section that is a single lane, but otherwise it is passable. Parents are frustrated as to why it has been closed for so long.

Response: The Manager Infrastructure Services replied the Shire does not control School Bus routes; they are the responsibility of the PTA.

Due to the concerns raised the Chief Executive Officer advised that she would deal with the matter.

10.0 CLOSURE

There being no further business, the President thanked everyone for their attendance and closed the meeting at 7.28 pm.
