<b>Author</b>	Aaron Wooldridge – Deputy Chief Executive Officer
<b>Disclosure of Interest</b>	Nil
<b>Date of Report</b>	20 March 2025
<b>Senior Officer</b>	Alan George – Chief Executive Officer

#### Summary

This report recommends changes to the Audit and Risk Committee Terms of Reference for the Shire of Lake Grace. The proposed amendments focus on restructuring the layout of the document for improved clarity, title change to Audit & Risk Committee to incorporate risk management, and adding a requirement for the committee to hold quarterly meetings per year.

These changes align with best practice governance principles and ensure robust oversight of financial and risk management matters.

---

## Background

The Audit and Risk Committee plays a vital role in assisting the Council with its responsibilities regarding financial reporting, risk management, and internal controls. Periodic reviews of the committee's Terms of Reference are necessary to ensure they remain current and effective.

Recent governance reviews have highlighted opportunities to enhance the document by refining its structure and increasing the frequency of meetings. The restructuring will provide a more logical flow of information, making it easier for committee members and stakeholders to reference key provisions. Additionally, the introduction of quarterly meetings will improve the committee's ability to monitor financial and risk-related issues more proactively.

## Comment

The proposed changes to the Terms of Reference include:

- **Restructuring of document layout** to improve readability and accessibility, ensuring clear delineation of roles, responsibilities, and key functions of the committee.
- **Addition of quarterly meetings** (four per year) to enhance the committee's oversight functions, ensuring more timely review of financial reports, risk assessments, and governance matters.

The inclusion of quarterly meetings aligns with recommendations from governance bodies and provides a structured approach to reviewing the Shire's financial performance and risk management strategies. More frequent meetings will enable the committee to address issues in a timely manner, reducing the risk of financial or operational oversight.

It is recommended that the Council endorse the proposed amendments to the Terms of Reference to enhance the committee's effectiveness and ensure ongoing compliance with good governance practices.

<b>Date of Report</b>	31 January 2025
<b>Senior Officer</b>	Mr Alan George - Chief Executive Officer

##### Summary

Consideration of the Monthly Financial Reports for the period ending 31 January 2025 and Bank Reconciliations for the month ending 31 January 2025.

##### Background

The provisions of the Local Government (Financial Management) Regulations 1996 require a monthly financial report to be presented at an Ordinary Council meeting within two (2) months of the period end date.

##### Comment

As of 31 January 2025, operating revenue was slightly over the target by \$2,531 (0.03%), mainly due to Other revenue, which increased due to higher Fuel Tax Rebates.

Operating expenditure is below YTD budget by \$542,182 (5.31%), mainly due to Materials and contracts being down due to delays in operating jobs. Utility charges are below the budget due to decreased water and power demand.

Investing activities revenue is below the target by \$172,415 (9.82%). Proceeds from capital grants are below budget due to some of the "Local Roads & Community" projects not yet initiated or being in the early stage of completion, funds will be recognised later in the financial year.

Investing activities expenditure is below the budget by 1,858,765 (30.48%). Payments for property, plant and equipment, and Infrastructure are below the target due to a large portion of Capital projects not being initiated as yet (40%) or in an early stage of completion.

Cash at bank is similar to the corresponding period last year. An investment agreement is in place for Overnight Cash Deposit with WA Treasury Corporation for a total of \$5,648,883, as well as 2 term deposits invested in CBA – a total of \$8,100,000.

Outstanding rates are tracking well and have recovered 95.0% to date.

The General debtor is \$95,655 with no major outstanding debts to follow up.

The monthly financial reports include the accompanying Local Government special purpose financial statements for the Shire of Lake Grace, which comprise the Statement of Financial

Activity (by Statutory Reporting Program), a summary of significant accounting policies and other explanatory notes for the period ending 31 January 2025. The financial statements have been compiled to meet compliance with the Local Government Act 1995 and associated regulations.

The Shire of Lake Grace is responsible for the information contained in the financial statements and is responsible for maintenance of an appropriate accounting system in accordance with relevant legislation.

#### Legal Implications

Section 6.4 of the Local Governments Act 1995 provides for the preparation of financial reports.

In accordance with Regulation 34(5), a report on variances greater than the materiality threshold (\$10,000 and 10% whichever is greater) must be compiled and adopted by Council. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

##### Comment

As of 28 February 2025, operating revenue was slightly below the target by \$320 (0.004%), mainly due to Interim Rates decrease by \$2,191.

Operating expenditure is below YTD budget by \$888,585 (7.62%), mainly due to Materials and contracts being down due to delays in operating jobs.

Investing activities revenue is below the target by \$306,633 (15.64%). Proceeds from capital grants are below budget due to some of the "Local Roads & Community" projects income is lower than predicted.

Investing activities expenditure is below the budget by 2,370,257 (33.54%). Payments for property, plant and equipment, and Infrastructure are below the target due to some portion of Capital projects not being initiated as yet (39%) or in an early stage of completion.

Cash at bank is similar to the corresponding period last year. An investment agreement is in place for an Overnight Cash Deposit with WA Treasury Corporation for a total of \$4,063,564, as well as 3 term deposits invested in CBA – a total of \$9,246,089.

Outstanding rates are tracking well and have recovered 95.8% to date.

In accordance with Regulation 34(5), a report on variances greater than the materiality threshold (\$10,000 and 10% whichever is greater) must be compiled and adopted by Council. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.
