Summary

For Council to consider the approval for the collection of native seed from within reserves vested in the Shire of Lake Grace.

Background

The Shire has received a request from Ms Tracy Achemedei from Greening Australia WA (GAWA) requesting for relevant appointed staff to collect native seed from within reserves vested in the Shire of Lake Grace. The email of request is attached. Permission is requested for a twelve (12) month period.

All persons collecting native seed require the landowner's permission and must obtain an appropriate license in accordance with the *Wildlife Conservation Act (1950)*.

Comment

GAWA would like to collect native seed which will be utilised in strategic re-vegetation projects throughout the region and will directly benefit the community as a whole. Some seed may also be used for the purposes of research into best practice re-vegetation and development of tree cropping programs for the region.

The Shire has granted permission to GAWA in the past and GAWA are seeking further permission for another twelve (12) month period.

Legal Implications

Summary

For Council to consider and endorse the actions of the Chief Executive Officer to transfer to Municipal Funds to various Reserve funds that were not included in the 2016/2017 budget.

Background

Any reserve transfers that are not endorsed through the budget process require to be authorised in advance by absolute majority of Council. It has been identified that we have surplus funds that are being proposed for transfer to the Essential Medical Services Reserve, Lake Grace Sewerage Scheme Reserve and Works and Services Reserve.

Given the time period in relation to 30 June 2017, the Chief Executive Officer has officially transferred these surplus funds into reserve, pre-empting any decision of Council. If Council doesn't agree with these actions the funds will be returned to the Shire's Municipal Fund.

There is also the potential of surplus Specified Area Rate (SARS) funds in relation to Sport and Recreation SARS. Approval is sort to transfer any surpluses to the relevant reserves, if required.

Comment

The budget allowed for the transfer of \$100,000 to the Essential Medical Services Reserve. In relation to the Medical Services funding there is a savings of approximately \$85,000 in payments that were due in relation to our contract with First Health. Given the legal circumstances that we find ourselves in these funds need to be set aside for any future expense that may be incurred. It would be suggested that at the time of budget adoption the purpose of the Essential Medical Service Reserve be redefined 'to fund the provision of essential medical services and any associated legal expenses'.

The budget allowed for the transfer of \$40,000 to the Works and Services Reserve for gravel pit rehabilitation. Throughout the year an additional \$142,290 in revenue has been offset against gravel expensed against the various road projects undertaken this financial year. These funds have been transferred to offset future rehabilitation works.

At the 30 June, a surplus of \$60,136 was projected within the Lake Grace Sewerage Scheme SARS. As with any funds sourced through SARS any surplus funds are to be transferred to reserve or returned to the rate payer.

At the time of preparing this report the balances have not yet been determined and are requesting Council authority to transfer any surplus funds at 30 June 2017 for the various SARS accounts.

Legal Implications

Local Government Act 1995

Section 6.2 Local government to prepare annual budget

- (4) The annual budget is to incorporate —
- (a) particulars of the estimated expenditure proposed to be incurred by the local government; and
 - (b) detailed information relating to the rates and service charges which will apply to land within the district including —
 - (i) the amount it is estimated will be yielded by the general rate; and
 - (ii) the rate of interest (if any) to be charged by the local government on unpaid rates and service charges;and
 - (c) the fees and charges proposed to be imposed by the local government; and
 - (d) the particulars of borrowings and other financial accommodation proposed to be entered into by the local government; and
 - (e) details of the amounts to be set aside in, or used from, reserve accounts and of the purpose for which they are to be set aside or used; and
 - (f) particulars of proposed land transactions and trading undertakings (as those terms are defined in and for the purpose of section 3.59) of the local government; and
 - (g) such other matters as are prescribed.

Local Government Act 1995

Section 6.8 Expenditure from Municipal fund not included in annual budget

- (1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —
- (a) is incurred in a financial year before the adoption of the annual budget by the local government; or
 - (b) is authorised in advance by resolution*; or
 - (c) is authorised in advance by the mayor or president in an emergency.

* Absolute majority required.

- (1a) In subsection (1) —
additional purpose means a purpose for which no expenditure estimate is included in the local government's annual budget.
- (2) Where expenditure has been incurred by a local government —
- (a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and

15.1 REQUEST FOR QUOTATION – NEWDEGATE SKATE PARK

Date of Report: 19 July 2017

Summary

For Council to determine the assessment criteria for the request for quotation for the Newdegate skate park and all ages nature-based playground.

Background

Under the name, Newdegate Active Precinct (NAP) three mothers from Newdegate researched the possibility of a skate park/playground/park for Newdegate and came up with the initial concept. After community consultation and the confirmation of the required funding, the concept was refined to a skate park and an all ages nature-based playground.

Funding has been confirmed from LotteryWest, Royalties for Regions, Cooperative Bulk Handling, Newdegate Cropping Group and the Newdegate Machinery Field Days Incorporated, as well as fundraising from the community to a value of \$424,998.72. This is not inclusive of the cost of the purchase of the proposed site at 8 Maley Street, Newdegate, which was also funded by the Newdegate Cropping Group.

Comment

The Newdegate Active Precinct have driven this initiative from the beginning, and are keen to ensure the best design and build possible for this project. They envisaged that the skate park and playground will become an icon; an example of what a community can achieve, will engage local young people and will bring economic benefit to the town through increased visitor stay. For these reasons, they are concerned that the present selection criteria for tenders for the Shire of Lake Grace's buildings is too geared towards cost, although it is stated that the lowest price will not necessarily be accepted by the Shire.

It should be noted that it is intended the process involved with identifying a builder for the skate park and playground will not be through publicly inviting tenders, but through the WA Local Government Association's (WALGA) eQuotes system. It is an online system that invites suppliers who are on the WALGA Preferred Supplier Register to submit a quotation for the project. It is a much simpler process that whilst maintaining transparency in all purchasing decisions and is less time-consuming.

The Shire of Lake Grace Policy 3.11 Tenders – Selection Criteria is listed below. Building is the closest criteria to an infrastructure project such as a skate park:

Buildings

Cost	65%
Relevant Experience	15%
Organisational Capacity & Resources	15%
Demonstrated Understanding	5%

It is suggested that the proposed selection criteria would be weighted as below:

Proposed Selection Criteria

Cost	45%
Relevant Experience	20%
Organisational Capacity & Resources	20%
Demonstrated Understanding	15%

Legal Implications

Local Government Act 1995

3.57. Tenders for providing goods or services

- (1) A local government is required to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods or services.
- (2) Regulations may make provision about tenders.

Local Government (Function and General) Regulations 1996

Part 4 Provision of goods and services

11. When tenders have to be publicly invited

- (1) Tenders are to be publicly invited according to the requirements of this Division before a local government enters into a contract for another person to supply goods or services if the consideration under the contract is, or is expected to be, more, or worth more, than \$150,000 unless subregulation (2) states otherwise.
- (2) Tenders do not have to be publicly invited according to the requirements of this Division if -
 - (a) the supply of the goods or services is to be obtained from expenditure authorised in an emergency under section 6.8(1)(c) of the Act; or
 - (b) the supply of the goods or services is to be obtained through the WALGA Preferred Supplier Program; or
 - (c) within the last 6 months —
 - (i) the local government has, according to the requirements of this Division, publicly invited tenders for the supply of the goods or services but no tender was submitted that met the tender specifications or satisfied the value for money assessment; or
 - (ii) the local government has, under regulation 21(1), sought expressions of interest with respect to the supply of the goods or services but no person was, as a result, listed as an acceptable tenderer; or
 - (d) the contract is to be entered into by auction after being expressly authorised by a resolution of the council of the local government; or
 - (e) the goods or services are to be supplied by or obtained through the government of the State or the Commonwealth or any of its agencies, or by a local government or a regional local government; or
 - (ea) the goods or services are to be supplied —

- (i) in respect of an area of land that has been incorporated in a district as a result of an order made under section 2.1 of the Act changing the boundaries of the district; and
- (ii) by a person who, on the commencement of the order referred to in subparagraph (i), has a contract to supply the same kind of goods or services to the local government of the district referred to in that subparagraph; or
- (f) the local government has good reason to believe that, because of the unique nature of the goods or services required or for any other reason, it is unlikely that there is more than one potential supplier; or
- (g) the goods to be supplied under the contract are —
 - (i) petrol or oil; or
 - (ii) any other liquid, or any gas, used for internal combustion engines; or
- (h) the following apply —
 - (i) the goods or services are to be supplied by a person registered on the Aboriginal Business Directory WA published by the Small Business Development Corporation established under the Small Business Development Corporation Act 1983; and

Summary

This report recommends entering into a new Lease Agreement with Mr Robert Newman for the Magenta Community Dam.

Background

In May 2006 under Resolution No 10198, Council resolved that the Community Dam Lease Agreement prepared by Watts and Woodhouse, Solicitors and Legal Consultants, be accepted for the Dunn Rock, Magenta and South East Newdegate Community Dam projects and that the terms of the lease be for ten (10) years with two (2) ten (10) year extension options.

The Magenta Community Dam Lease Agreement for Lot 2292 on DP 209720, 1830 Magenta Road South Newdegate, was entered into with the then landholders Robert and Julie Newman. The term of the lease commenced on 1 May 2006 and expired on 30 April 2016 (refer Attachment No.1).

On 29 May 2017, the Shire wrote to Mr and Mrs Newman requesting the take up of the first of the two ten year terms. It was acknowledged that the lease had expired (refer Attachment No.1).

Acting upon Mr Newman's instruction, Mrs TA Ness wrote back to the Shire (refer Attachment No.2) seeking a new lease be drawn up to reflect a change in the ownership of the Land. As per the letter, a Landgate 'Owner Name Listing' land enquiry was undertaken by the author, which shows Lot 2292 on Plan 209720 as belonging to Newmac Holdings Pty Ltd. Mr Robert Newman is now the sole Director of Newmac Holdings Pty Ltd.

Comment

Given the above it is recommended Council consider entering into a new Lease Agreement with Mr Robert Newman to reflect the change in ownership of the land. A new draft lease document has been prepared (refer Attachment No.3).

It is further recommended the term of the new lease be for one (1) ten (10) year term, with an option to extend the lease for a further one (1) ten (10) year term. This would align the terms of lease of the Magenta Community Dam with the Dunn Rock and South East Newdegate Community Dams.

The Lease agreement states the permitted purpose of the lease as allowing for the construction and maintenance of a dam including roaded catchments, contour and other drains, pipelines, pumps, sheds, standpipes and associated plant and improvements, and the drawing of water from the dam.

16.3 SHIRE OF LAKE GRACE – ANIMALS, ENVIRONMENT AND NUISANCE LOCAL LAW 2016

Applicant: Internal Report
File No. 0378
Attachments: Letter from the Joint Standing Committee on Delegated Legislation
Author: Mr Bruce Wittber, BHW Consulting
 Local Laws Consultant
Disclosure of Interest: Nil
Date of Report: 17 July 2017
Senior Officer: Ms Denise Gobbart

Chief Executive Officer

Summary

The purpose of this report is for the Council to consider correspondence from the Joint Standing Committee on Delegated Legislation (JSCDL) following its review of the recently adopted *Animals, Environment and Nuisance Local Law 2016*.

Background

The Shire of Lake Grace *Animals, Environment and Nuisance Local Law 2016* was adopted by the Council on 28 September 2016 and was advertised in the Government Gazette on 20 December 2016.

All local laws are subject to a review by the JSCDL and in a letter to Shire President Cr De Landgraff, dated 29 June 2017, the Chair of the JSCDL Ms Emily Hamilton MLA, advised that the JSCDL wished to raise three issues with the Council two of which require an amendment to the *Animals, Environment and Nuisance Local Law 2016*. The delay in the local law being reviewed is due to the state election on 11 March 2017.

Comment

The JSCDL advised that the following amendments were required to the *Animals, Environment and Nuisance Local Law 2016*:

1. Clause 3.7 states:

3.7 Disposing of disused refrigerators or similar containers

A person shall not place, leave or dispose of a disused refrigerator, ice chest, ice box, trunk, chest or other similar article having a compartment which has a capacity of 0.04 cubic metres or more on any land without first —

- (a) removing every door and lid and every lock, catch and hinge attached to a door or lid or rendering every door and lid incapable of being fastened; and
- (b) removing any refrigerants as per requirements of the *Environment Protection (Ozone Protection) Policy 2000*.

Clause 3.7(b) relates to the *Environment Protection (Ozone Protection) Policy 2000* which was repealed in 2009. The revocation occurred because the Commonwealth took over control of ozone protection and subsequently drafted regulations.

The JSCDL has requested that clause 3.7(b) be deleted.

2. The JSCDL is of the view that clause 4.14(1) purports to prohibit the placing of “any letter, figure, device, poster, sign or advertisement on any buildings, fences or posts” without Shire approval. The JSCDL is of the view that would include “for example, house numbers, ‘no junk mail’ signs, ‘beware of the dog’ signs and the like”.

The JSCDL has requested that clause 4.14(1) be deleted.

3. The JSCDL has also advised that the Department of Environment Regulation has recently expressed the view that there were “reasonable grounds” to require the consent of the Chief Executive Officer (CEO) of the Department of Environment Regulation under section 6(1) of the *Waste Avoidance and Resource Recovery Act 2007*, to certain waste-related provisions of the Shire of Cunderdin’s *Animals, Environment and Nuisance Local Law 2016*. The same issue arises in clause 3.1 and 3.2 of the Shire of Lake Grace’s local law.

The JSCDL has written to the Minister for Environment seeking his views as to whether the consent of the CEO of the Department of Environment Regulation is required.

The JSCDL in its letter to the Minister for Environment has indicated that its preliminary view is the relevant local law does not come within section 64(2) of the *Waste Avoidance and Resource Recovery Act 2007* and therefore not require the consent of the CEO.

No further action is required on this matter at this time.

The JSCDL requests that the Council provide undertakings to:

- Delete clauses 3.7(b) and 4.14(1);

Noting that the next Council Meeting is 26 July 2017 the JSCDL further requests the undertakings be provided by Friday 4 August 2017 and include the following additional undertakings:

- That all consequential amendments arising from the undertakings will be made.
- That until clause 3.7(b) is deleted, a notice will be posted on the Shire’s website next to the local law alerting residents to the error and the fact that the Commonwealth now regulates this field through a licensing system.
- That the local law will not be enforced in a manner contrary to the above undertakings given.
- That the undertakings will be completed within six months of the date of the letter giving the undertaking.
- That the Shire will provide the JSCDL with a copy of the minutes of the meeting at which the Council resolves to provide these undertakings.
- Where the local law is made publicly available, whether in hard copy or electronic form, that the law be accompanied by a copy of these undertakings.

A full copy of the correspondence from the JSCDL is attached to this agenda.

Legal Implications

Local Government Act 1995

Section 3.12 of the Act outlines the procedure for making local laws which is broadly as follows:

- the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner;
- the Shire is to give Statewide public notice stating:

- the local government proposes to make a local law the purpose and effect of which is summarized in the notice;
- a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and
- submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;
- give a copy of the proposed local law and a copy of the notice to the Minister and, if another Minister administers the legislation under which the local law is proposed to be made, to that other Minister;
- provide a copy of the proposed local law to any person requesting it;
- at the close of submissions consider any submissions made and take into consideration any comments provided;
- adopt the local law as originally published or as amended, subject to the amendments not substantially altering the intent of the local law;
- publish the local law in the Government Gazette;
- give a copy of the local law to the Minister and, if another Minister administers the legislation under which the local law is proposed to be made, to that other Minister;
- after the local law has been published in the Government Gazette the local government is to give local public notice:
 - stating the title of the local law;
 - summarising the purpose and effect of the local law (specifying the day on which it comes into operation); and
 - advising that copies of the local law may be inspected or obtained from the local government's office; and
- within 10 days of the publication in the Government Gazette submit the local law to the Joint Standing Committee on Delegated Legislation.

Recommendation

That Council:

1. advise the Chair of the Joint Standing Committee on Delegated Legislation, in relation to the Shire of Lake Grace *Animals, Environment and Nuisance Local Law 2016* that the Shire will within 6 months undertake to:
 - a) delete clauses 3.7(b) and 4.14(1);
 - b) make all necessary consequential amendments arising from the undertakings;

Summary

For Council to approve the reviewed Shire of Lake Grace Equal Employment Opportunity (EEO) Management Plan 2017 - 2020.

Background

Council at its Ordinary Council Meeting dated 24 June 2015 adopted the Shire of Lake Grace EEO Management Plan 2015 – 2017.

MOTION 12060, Moved Cr Hunt, Seconded Cr Clarke

That Council adopt the attached Shire of Lake Grace Equal Employment Opportunity Management Plan 2015 - 2017.

MOTION CARRIED 9/0

A review of the Shire's EEO Management Plan 2015 - 2017 is now due as the original document was listed for amendment in 2017.

EEO management plans are the principle accountability instrument for public authorities to ensure an absence of discrimination and positive employment outcomes for diversity groups. EEO is about ensuring all employees in public authorities have equal opportunity in their work place and are not subject to discrimination. Section 145(1) of the *Equal Opportunity Act 1984 (EO Act)* requires public authorities to prepare and implement an EEO management plan.

Under the Government of Western Australia, Public Sector Commission, *EO Act* is the main legislative instrument underpinning the principles of equal opportunity in Western Australia.

Comment

The *EO Act* was enacted by the Western Australian Parliament in 1984 and came into operation in July 1985. Its objectives are to:

- a) to eliminate, so far as is possible, discrimination against persons on the grounds of sex, marital status, pregnancy, family responsibility or family status, race, religious or political conviction, impairment, age or, in certain cases, gender history in the areas of work, accommodation, education, the provision of goods, facilities and services, and the activities of clubs; and

- b) to eliminate, so far as is possible, sexual harassment and racial harassment in the workplace, and in educational institutions and sexual harassment and racial harassment related to accommodation; and
- c) to promote recognition and acceptance within the community of the equality of men and women; and
- d) to promote recognition and acceptance with the community of the equality of persons of all races, regardless of their religious or political convictions, their impairments or ages.

The Shire's EEO Management Plan is the foundation for a working environment free from harassment and discrimination. Through the implementation of this Plan the Shire will strive to build a workforce and supporting organisational culture that reflects the diversity of the greater community.

All Shire staff are to be encouraged to embrace equity and diversity within the organisation. The Shire is to value EEO/diversity and aim to ensure that the work environment is free from racial and sexual harassment, and that employment practices are not biased or discriminate unlawfully against employees or potential employees. The Shire's employment programs and practices recognise and include strategies for EEO groups to achieve workforce diversity.

The Shire's EEO Management Plan is to be a living document that will continue to develop and build on for our future success.

Deputy Chief Executive Officer

Summary

For Council to approve the Shire of Lake Grace Freedom of Information Statement 2017 - 2018.

Background

Under the Government of Western Australia, *Freedom of Information Act (FOI Act) 1992* Section 96(1) requires each government agency, including local governments, to prepare and publish annually an Information Statement. The Shire of Lake Grace Freedom of Information Statement has been developed in accordance with the *FOI Act 1992* Section 94 that details the requirements of an information statement, in relation to an agency.

Comment

Freedom of Information gives the public a right to access government documents, subject to some limitations. In Western Australia, under the *FOI Act 1992*, the right applies to documents held by most State government agencies (such as departments, public hospitals, public universities and State government authorities), Ministers and local government. Together, these bodies are referred to as “agencies”.

Documents accessible under the *FOI Act 1992* include paper records, plans and drawings, photographs, tape recordings, films, videotapes or information stored in a computerised form. Agencies are required to assist applicants to obtain access to documents at the lowest reasonable cost. Anyone can also apply to have personal information about themselves in government documents amended if that information is inaccurate, incomplete, and out of date or misleading.

The Information Commissioner is an independent officer who reports directly to Parliament. The position is established by the *FOI Act* and is supported by staff of the Office of the Information Commissioner.

Legal Implications***Freedom of Information Act (1992)*****Part 5 Publication of information about agencies****96. Information statement, each agency to publish annually**

- (1) An agency (other than a Minister or an exempt agency) has to cause an up to date information statement about the agency to be published in a manner approved by the Minister administering this Act —
- (a) within 12 months after the commencement of this Act; and
 - (b) at subsequent intervals of not more than 12 months.

- (2) In giving approval under subsection (1) the Minister has to have regard, amongst other things, to the need to assist members of the public to exercise their rights under this Act effectively.
- (3) In the case of an agency that comes into existence after the commencement of this Act the reference in subsection (1)(a) to the commencement of this Act is to be read as a reference to the time when the agency commences its operations.
- (4) A subcontractor does not have to comply with subsection (1) if the relevant contractor has complied with that subsection on behalf of the subcontractor.

[Section 96 amended by No. 47 of 1999 s.13.]

94. Term used: information statement

A reference in this Act to an information statement, in relation to an agency, is a reference to a statement that contains —

- (a) a statement of the structure and functions of the agency;
- (b) a description of the ways in which the functions (including, in particular, the decision making functions) of the agency affect members of the public;
- (c) a description of any arrangements that exist to enable members of the public to participate in the formulation of the agency's policy and the performance of the agency's functions;
- (d) a description of the kinds of documents that are usually held by the agency including —
 - (i) which kinds of documents can be inspected at the agency under a written law other than this Act (whether or not inspection is subject to a fee or charge); and
 - (ii) which kinds of documents can be purchased; and
 - (iii) which kinds of documents can be obtained free of charge;
- (e) a description of the agency's arrangements for giving members of the public access to documents mentioned in paragraph (d)(i), (ii) or (iii) including details of library facilities of the agency that are available for use by members of the public;
- (f) a description of the agency's procedures for giving members of the public access to the documents of the agency under Part 2 including —
 - (i) the designation of the officer or officers to whom initial inquiries as to access to documents can be made; and
 - (ii) the address or addresses at which access applications can be lodged;
- (g) a description of the agency's procedures for amending personal information in the documents of the agency under Part 3 including —
 - (i) the designation of the officer or officers to whom initial inquiries as to amendment of personal information can be made; and
 - (ii) the address or addresses at which applications for amendment of personal information can be lodged.
