CEO's Corner

August 2016 Ordinary Council Meeting

An Ordinary Meeting of Council took place on Wednesday 24 August 2016 at 3.00 pm at the Lake King Hall.

The following matters were the subject of Council consideration and resolution:

- Permission granted to Greening Australia WA to collect native plant seed from within reserves vested in the Shire of Lake Grace, subject to a number of conditions.
- Delegation F02 – Payment of Creditors, to formalise administrative procedures in relation to the payment of creditors.
- Back Rating – Mining Tenements, endorsing the corrections and administrative decisions made to our rating system, ensuring mining tenements are now correctly rated.
- CSRFF funding application endorsement and prioritisation – Lake King Multi-purpose Court Re-surfacing Project. This project has been endorsed as the Shire's number one priority for CSRFF applications and will be included in the 2016/2017 budget.
- Lot 11 Maley St, Newdegate – endorsing the transfer of land for the Newdegate Active Precinct skate park facility and funding applications that are to be submitted for this project.

Council Minutes are available and can be viewed on the Shire website at www.lakegrace.wa.gov.au

Department of Sport and Recreation—Site Visit

On Friday 19 August 2016 Cr De Landgraftt, Executive Officer Jeanette Bennett and myself with Lake King community members attended a site visit at the Lake King Netball courts with Jenifer Collins from Department of Sports and Recreation to discuss the opportunity for a multi-purpose re-surfacing project for this site.

Newdegate Machinery Field Days

The Newdegate Machinery Field Days are now just over a week away and the Shire is readily assisting with site preparation, and organising our site exhibition.

I welcome the community to come and meet with your Councillors and staff members who will be manning the Shire's site and enter our giveaway to win an Apple iPad mini.

Budget Workshop

Our fourth Budget Workshop took place on Wednesday 24 August in Lake King prior to the Council meeting. There is still considerable work to be undertaken on the budget document. We are endeavouring to have the document finalised in the next fortnight.

We have received an extension of time to adopt the budget from the Department of Local Government and Communities.

Due to the delay in adopting the budget, the rate notices are not yet available. These will be issued directly after the budget has been adopted.

Lake Grace Well Aged Units - Progress

The building team are currently framing Unit 2 ready to install the roof.

Due to current weather conditions the team is trying to install roof on Unit 1. Once this is completed they will then be carrying out the lining of roofs and framing of Unit 3.

Road Works

The Shire road construction team have just finished re-sheeting Parsons Rd, there are further works to be undertaken at the floodway when weather conditions allow.

Re-sheeting of Bidy Buniche Rd is due to finish this week, and the Construction team will then move onto the Burngup South Rd re-sheeting project.

These road projects are funded through our Federal Government Roads to Recovery funding program.

The Lake Grace road maintenance grader is currently working in the south eastern sector.
