Recycling Services

Household Waste Collection is a weekly service and collected each Tuesday for Lake Grace, Newdegate, Lake King & Varley.

Recycling is a fortnightly service and alternates between Lake Grace and Newdegate. See below for the upcoming recycling collection dates.

Newdegate	Lake Grace
Tuesday 31 October	Tuesday 7 November
Tuesday 14 November	Tuesday 21 November

Please Note: There is no kerbside recycling collection service in Lake King or Varley.

The recycling bins are collected by Warren Blackwood Waste and transported to a recycling facility. If items which are not recyclable are found, the contents can't be recycled and the load will be directed to the landfill.

If an item is covered in food, it is not recyclable. Food is one of the worst contaminants in the recycling process. By using the yellow top recycling bin correctly you are contributing, in a combined community effort, to reduce the amount of rubbish that is directed to landfill facilities each year.

For more information on Waste Management visit the Shire's website www.lakegrace.wa.gov.au.
