## All Abilities Playground

The long awaited All Abilities Playground is nearing completion. Oxford Landscaping Company have completed the construction of the playground, and we can all agree, they've done a fabulous job in bringing the vision for this space to life.

Work continues on other key components of the site, such as fencing, grass areas, shade sail and rubbish bin installations.

The site remains closed to the public while this work continues, but we will keep you all updated on an opening date. In the meantime, we are excited to share the latest progress photos.

## Next Council Meeting
