### What's on in the Shire of Lake Grace...

Want to know what is happening around the shire? Are events appearing in your social media newsfeeds after they've happened? Do you have an event that needs advertising and promoting?

The Shire of Lake Grace website now includes an updated 'Events' page that is your one-stop shop for what is happening around the shire.

Here you will find our 'Events Calendar' that includes details of upcoming community events and provides a link for community members, sporting groups, associations, and clubs to add their own events to the calendar. Alternatively you can email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au) and the event can be added for you.

We hope to grow this calendar and provide an alternative to those who don't have, or use, social media (or for those who find information gets lost in amongst newsfeeds). It will compliment the community calendars found within our local newspapers.

The updated events area also includes information and links to some of the annual events such as Australia Day, ANZAC Day, and Harvest Festival.

Be sure to check it out to stay up-to-date with all of the latest information.

### Rural Fire Awareness Training

Are you a volunteer firefighter member of a Shire of Lake Grace Bush Fire Brigade, or are you involved in seasonal firefighting?

Rural Fire Awareness training is targeted at farmer response brigade volunteer firefighters, and seasonal workers to provide you with the basic awareness of fire ground safety and suppression strategies.

This aims to maintain your personal safety when operating on a fire ground. If you're yet to complete this introductory training, scan the appropriate QR code and follow the instructions below.

To access online training, volunteers will require their six-digit DFES identification number. Volunteer firefighters who do not know their identification number, please contact:
