

Shire of Lake Grace

ISSUE 23 2024

Lake Grace ○ Newdegate ○ Lake King ○ Varley ○ Pingaring

From the Chief Executive Officer

With Christmas rapidly approaching our minds start to wander thinking of what we will do during the break or catching up with friends and family, it gets a bit hard to concentrate at times but we still have plenty to do before the break.

Final planning is underway for the Harvest Festival with lighting for the all-abilities playground ordered and under construction with installation due a week before the big day.

The area around the pump track has seen the pad for the skate park laid. We'd like to remind everyone that this is still a construction site, and entry into the area is not permitted until we advise it is safe to do so. We hope to have the area open in the very near future.

We were advised last Thursday that our planning application for the subdivision of residential land at the eastern end of Wattle Drive in Lake Grace had been approved. We plan to commence works there in the new year, which will lead to the initial release of 7 new lots.

Lot 500 Wattle Drive has also been approved for rezoning from 'Special Purpose' to 'Residential R30', which will allow for future housing.

The Staff and Councillors of the Shire of Lake Grace wish to acknowledge the passing of Graham Perry and pass on our condolences to Wally and family members.

Graham commenced work at the shire in September 2015 as the Landfill Attendant at the Lake Grace rubbish tip, and it was a position in which he showed much pride.

There was never a dull moment with Graham and we will remember your visits to the office always with witty banter and a smile on your face.

From everyone here at the Shire we wish you a safe and happy Christmas and all the best for the coming year.
