Chief Executive Officer

Summary

This report recommends that an application submitted by Jared & Tania Bray (Landowners) seeking Council's formal approval to an amended site development plan for the existing winery on Lot 97 (No.6321) Kulin-Lake Grace Road, North Lake Grace be supported.

Background

In June 2017 Council granted retrospective development approval for various unauthorised construction works, the establishment of additional uses and the placement/construction of new ablution facilities in support of an existing winery (i.e. 'Walkers Hill Vineyard') on Lot 97 (No.6321) Kulin-Lake Grace, Road, North Lake Grace.

Following subsequent discussions with the Shire's building surveyor, the applicants' have decided to relocate the proposed new ablution facilities on the land to a more suitable location due to unfavourable soil conditions for effluent disposal in the original approved location south of the function centre building (i.e. structure 'H' on the original approved site development plan) (see Plan 1 – Original Approved Site Development Plan).

As can be seen on the amended site development plan submitted in support of this latest application the proposed 18m² second hand transportable and new 7m² timber framed, zincalume clad disabled ablution buildings (i.e. structures 'J' on the site plan) are now proposed to be sited on the northern side of the function centre building (see Plan 2 – Amended Site Development Plan).

Council should note under the terms of the amended site development plan the applicants' are also seeking approval for the following:

- i) construction of a new disabled parking bay immediately west of the relocated ablution facilities to ensure compliance with the relevant Australian Standard; and
- ii) relocation of a large capacity water storage tank from the north to the south side of the function centre building to accommodate the relocated ablution facilities.

Comment

Sub-clause 77(1) of the Deemed Provisions contained within the *Planning and Development (Local Planning Schemes) Regulations 2015* that automatically applies to all local planning schemes throughout the State enables an owner of land in respect of which development approval has been granted to make an application to the relevant local government requesting approval to amend any aspect of the development approved which, if amended, would not substantially change the development approved.

Sub-clause 77(4) of the Deemed Provisions enables a local government to determine an application made under sub-clause 77(1) by either:

- a) approving the application without conditions; or
- b) approving the application with conditions; or
- c) refusing the application.

The reporting officer has concluded following assessment of the latest application received for Lot 97 that relocation of the disabled ablution buildings, construction of a new disabled parking bay and relocation of the large capacity water storage tank as proposed will not substantially change the development previously approved by Council in June 2017. As such it is recommended the application be approved without conditions.

Recommendations

1. That the application submitted by Jared & Tania Bray (Landowners) seeking Council's approval to an amended site development plan for the existing approved winery and associated uses on Lot 97 (No.6321) Kulin-Lake Grace Road, North Lake Grace to allow for the relocation of the disabled ablution buildings, construction of a new disabled parking bay

and relocation of the large capacity water storage tank as proposed be approved without conditions.

2. That the 'Notice of Determination' to be prepared by the Shire Administration in respect of this latest application include the following advice notes to the Applicants' for the purpose of clarification:
 - i) The conditions and advice notes contained in the original development approval notice issued by the Shire of Lake Grace and dated 28 June 2017 are still applicable to the winery and all associated development and uses on Lot 97 (i.e. this approval does not extinguish the Applicants' obligations under that original development approval).
 - ii) Failure to comply with any of the conditions of the original development approval for Lot 97 dated 28 June 2017 constitutes an offence under the provisions of the *Planning and Development Act 2005* and the Shire of Lake Grace Local Planning Scheme No.4 and may result in legal action being initiated by the local government.
 - iii) If the applicants/landowners are aggrieved by this determination there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be submitted within 28 days of the determination.

15.1 LAKE KING PLAYGROUP'S REQUEST FOR THE SHIRE OF LAKE GRACE TO BE THE PROPONENT OF A GRANT APPLICATION ON THEIR BEHALF TO LOTTERYWEST FOR AN OUTDOOR COMMUNITY SPACES GRANT ...

Applicant: Lake King Playgroup
File No. 0754
Attachments: Proposal & Draft Plan
Author: Ms Linda Gray

Disclosure of Interest: Nil
Date of Report: 18 September 2017
Senior Officer: Ms Denise Gobbart

 Deputy Chief Executive Officer

 Chief Executive Officer

Summary

For Council to approve the Lake King Playgroup's request for the Shire of Lake Grace to be the proponent of an outdoor community spaces grant application to Lotterywest in 2017.

Background

The Lake King Playgroup is a not-for-profit community group passionate about ensuring that Lake King has a playground that will not only allow children to test their potential in regard to play and engagement with each other, but that will also allow parents to come together for their own well-being. The Shire of Lake Grace owns the facilities; the Lake King Memorial Hall, the Lake King Pavilion and the playground. The land is owned by the State Government. A management order was issued in 2007 to the Shire of Lake Grace for 21 years; Reserve 20321 for the purpose of recreation and hall site.

Comment

The present playground's equipment is old, requiring extensive maintenance and/or replacement by the Shire of Lake Grace and play is limited to younger children. The Lake King Playgroup's plan is to equip it with up to date, easily maintained equipment that will appeal to all ages. Their intention is to develop the area so that it links both the Lake King Memorial Hall and the Lake King Pavilion, and creates a community hub that will be utilised by families at both facilities.

An upgrade of the playground will meet the needs of the community as the numbers of children within the area have increased; with playgroup having 20 children, aged between 0 – 4 years, and the Lake King Primary School having doubled its student numbers since 2011.

The high cost of new equipment (\$40,000 - \$50,000), the Shire of Lake Grace's responsibility for the facilities and the Lake King Playgroup's lack of incorporation, as well as advice from Lotterywest, has resulted in a request from the Lake King Playgroup for the Shire to be the proponent of the grant application. A formal design and budget will be completed as part of the grant application, but at this stage the Lake King Playgroup are only seeking approval from the Council to be the proponent of their application, which will be approximately \$60,000 - \$65,000.

Policy Implications

Shire of Lake Grace Policies:

- Policy 1.12 – Community Engagement – The purpose of this policy is to ensure that residents of the Shire of Lake Grace have the maximum opportunity to contribute to their own social, economic and community well-being as well as good governance through information, consultation, and active participation in the development of major programs, projects and events throughout the Shire.
- Policy 7.9 – Asset Management – The Shire of Lake Grace is committed to determining the Level of Service required for infrastructure assets in a collaborative manner with asset stakeholders.

Consultation

Internal: Denise Gobbart Chief Executive Officer
Linda Gray Deputy Chief Executive Officer

External: Lake King Playgroup
Lotterywest

Financial Implications

If successful the funding will impact on the 2018/2019 Financial Year as Lotterywest's drawdowns are in arrears – at the successful completion of the project. The application will be for \$60,000 - \$65,000, with potential financial support from Lake King Playgroup, the Lake King Progress Association and the community fundraising. Lotterywest do not tend to partially fund a project, so it would be expected that the application if successful would be for the full amount.

Strategic Implications

Shire of Lake Grace Strategic Community Plan 2017 – 2027

Social – A valued, healthy and inclusive community and life-style.

- Outcome 2.1 An engaged, supportive and inclusive community
- 2.1.1 Community services and infrastructure meeting the needs of the district
 - 2.1.2 Maintain and support the growth of education, childcare, youth and aged services
 - 2.1.3 Actively promote and support community events and activities within the district
- Outcome 2.2 A healthy and safe community
- 2.2.1 Maintain and enhance sport and recreation facilities

Recommendation

That Council, approve the request from the Lake King Playgroup for the Shire of Lake Grace to be the proponent for a grant application to Lotterywest for a 2017 Outdoor Community Spaces grant.
